HireRight Solutions, Inc.,  
civil Action No. 3:09cv625;

I, Cornelius Cotton object to the settlement that is being offered. I feel that if I had've been hired; I wouldn't have been going through this and the settlement is not enough nor is it fair. I also believe this offer is enough because the cost of living is not going down it's going up. I understand that the company its self is settling out but, I don't understand why so little.
